Ms Excel

PERSONAL PROJECTS

Gyanget.com (01/2022 - 06/2022)

- It provides the best courses for B.Tech and B.Pharm and offers the best coding courses and certificates. Additionally, it offers some useful apps that can help you in your learning journey.

Weather App (03/2023 - 05/2023)

- Weather App is the application of science and technology to predict the conditions of the atmosphere for a given location and time.

Razorpay Clone

- Built a web application that closely mimicked design of the popular india payment gateway, Razor Pay, using HTML & Tailwind CSS. THIS project helped me improve my skill in web development

Email Automation with voice

- In this project we make a email automation with voice using python.

Hand Gesture Volume Control

- IN this project we make a Hand Gesture Volume Control to professional from other.
